ABOUT OUR SCHOOL

William Campbell High School is an accredited, five-year high school located at Naruna, on Highway 501, in Campbell County, Virginia. It was established in 1951 as a result of the consolidation of the high schools in Gladys, Naruna, and Brookneal, and the fifth year of high school was added in 1952. It is named for William Campbell, a General who distinguished himself because of his heroism in the battle at King's Mountain during the Revolutionary War. The basketball and baseball teams are known as the Generals.

The main building has 9 regular classrooms, 2 science laboratories, a typing room, art room, music room, projection room, home economics department, gymnasium, library, cafeteria, and offices. The Elementary School building is directly behind the High School building and is attended by children from Naruna. The Agriculture building is to the right of the main building and has a shop and several classrooms.

Mr. James E. Strickler is principal of William Campbell High School, and there are 19 other members of the high school faculty. The enrollment is 385.

MRS. DOROTHY FORE'S ART CLASS

There are 14 boys and 7 girls enrolled in the one class of High School Art offered to students in grades 10 through 12. The class activities in art require individual thinking and strive to promote creative expression. A few of the class activities include finger painting, outdoor sketching, making murals, paper sculpturing, and making puppets.

The General Music class of 16 members provides musical experience for a number of students who have little or no other contact with music, as well as for those who are really interested in the study of music. The highest purpose of the class is to enable the students to develop individual self-expression through participation.

MRS. ELSIE PAYNE GUTHRIE'S MUSIC CLASS

LANGUAGES

MRS. ELSIE PAYNE GUTHRIE'S LATIN CLASS

In Latin classes, the students try to develop an appreciation for the Romans whose language they are studying. They sing songs in Latin, make posters and discuss the part that Romans have played in modern advertisement. In the other foreign language class, Spanish II, they spent the first semester in thorough review of all grammar and also in translation of selections dealing with the geography, life, and customs of the people. During the second semester, composition, conversation, and parallel reading of Spanish short stories were the main emphasis.

MR. BOBBY GENE PRATT'S SPANISH CLASS

Some of the other contests are: Public Speaking, Crop Judging, Shop Judging, and Dairy Judging. Before participating in the State contest, a team must win the federation, district, and area contests.

Vocational agricultural students construct many useful items in the shop. The picture at the right is a shop scene of a freshman student constructing a two-wheel trailer, using scrap materials other than lumber. Haywood Belvin is using a drill with Mr. Riegel giving instructions.

MR. J. J. RIEGEL'S SHOP CLASS

GUIDANCE

GUIDANCE COMMITTEE

Front Row: Mrs. Christine Crabtree, Mrs. Pauline Marshall, Mrs. Myrtle Fore, Mrs. Lucille Riegel, Co-ordinator; Mrs. Mary Maddox. Second Row: Mr. J. J. Riegel, Mr. Dennis Riddle, Mr. Bobby G. Pratt, Mr. James E. Strickler.

They sponsored Career Day which provided an opportunity for juniors and seniors to talk with representatives from most of the colleges in the state. They administer scholarship tests, and Mrs. Riegel sees that pupils have a chance to use the guidance material in the Clinic Room.

Mrs. Riegel gives the directions for the Scholarship Qualifying Test which about 20 juniors and seniors took.

Career Day was held on November 26, 1958. Representatives from colleges, hospitals, and business firms interviewed juniors and seniors. Below: Miss Ellen Philbeck, of Radford College, is having a conference with Frankie Ware, Jean Armistead, and Jo Ann George.
